Adding a new beneficiary:

Your dependents (Spouse and children) that are already entered into OnlinEnroll will be in the beneficiary pool.

1. Select your first beneficiary:
 - a. To select an existing dependent as a beneficiary, select their name in the drop down
 - b. If you would like to add another beneficiary, select the applicable relationship in the drop down menu
 - i. A pop up box will appear asking for more information on your new beneficiary. Complete the fields and click done.
2. Enter the percentage for this beneficiary in the "percentage" field

You may also add secondary (contingent) beneficiaries by clicking on the button "Add Secondary Beneficiary"

Best practices for choosing multiple beneficiaries:

- Use whole numbers when updating the percentage
- Percentages must equal 100
 - For example: 3 beneficiaries should have the percentage of 33, 33, 34

Other tips:

- To add multiple beneficiaries click on the  plus sign
- To remove a beneficiary, click on the  delete icon to the right of the beneficiary name.
- A beneficiary should not be used twice in the same plan.
 - For instance, on the basic life plan, do not have your spouse listed twice as a primary beneficiary.

Then select the Qualifying Event that applies to you, enter the date of the event, and click “Save”. The system will now walk you through your personalized experience.

Please note the following in regards to Qualifying Events:

- To initiate a Qualifying Event, while still within your Open Enrollment period, go to: BenAdmin > Initiate Qualifying Events
- Please ensure the dependent relationship type is updated when processing a Qualifying Event, as this determines eligibility e.g. If processing a Divorce QE you must change your spouse relationship type from spouse to ex-spouse. This will ensure that the system will terminate the spouse’s benefits and generate the notification for COBRA.
- During a Qualifying Event, Beneficiary designation will be available after your plan change is approved by the administrator. To view or change your Beneficiaries outside of an open window, go to: My Benefits > Beneficiary
- During a Qualifying Event, you will have the opportunity to upload the appropriate supporting documents (i.e. marriage certificate, birth certificate, etc.) for your HR Administrator approval. Please be sure to upload your document in the upload document page. – **OR** - Please be sure to upload your document in the pop up box provided after each change
